## BIBLE STUDIES

### The Breath of Life

‘Then the Lord God formed a man[a] from the dust of the ground and breathed into his nostrils the breath of life, and the man became a living being.’

Genesis 2:7

We were brought

to life by the very breath of God.

Indeed, the very air we breathe and the ground we walk on was created by God in a selfless act of love as we learned on Day 5 in this devotional.

In this moment, we seem to always be rushed for time, even in the middle of a global pandemic. There are so many things that compete for our attention, whether it’s Netflix or our never-ending to-do lists.

As a person who wrestles with anxiety and depression, one of the ways I’ve learned to rely on God is through what’s called ‘breath prayer.’ To practice breath prayer, we stop and become still, reflecting on the very breath of life that God breathes into us daily.

It can be as simple as meditating on God as Abba Father: **Deep breath in while saying “A”, deep breath out saying “bba”.**

Or, it could be a breath prayer that originates from the 3rd century: **Deep breath in while saying “Lord, Jesus Christ, Son of God,” deep breath out saying “you love me.”**

I invite you into the stillness and presence of God’s love for you, breathing in the very breath of Life and Love itself.

## Movie Recommended

### *The Pursuit of Happyness*

We are each on our own pursuit for happiness. As human beings we seek every day to do things that make us happy, but many times we encounter people who seem happier than we are. The truth is that these people may actually be happier because happiness is a choice that you can bring into your own life. We all see people who society classifies as having everything, but they are still not happy. Then there are people who have very little and yet seem to be some of the happiest people you have ever met. What makes this difference?

The movie *The Pursuit of Happyness* is a great example of someone who has little to nothing but chooses to be happy and not let the circumstances of his life slow him down. The main character Chris Gardner (played by Will Smith) goes through his own pursuit for happiness even though he has many dark and hard moments. His choice to be optimistic and push forward ultimately gives him the power to be happy.

All movies are in Netflix...

Oh! fragrant is the breath of May  
In tranquil garden closes,  
And soft yet regal is her sway  
Among the springtide roses.  
—William Hamilton Hayne, American  
poet (1856–1929)

May is the fifth month of the year in the Gregorian and Julian calendar  
It is likely named for the Roman goddess Maia, who oversaw the growth of plants.  
Alternatively, the name might have come from the Latin *maiores*, “elders,” who were celebrated.

May's birthstone is the [emerald](#) which is emblematic of love and success.

The birth flowers are the Lily of the Valley and Hawthorn

The zodiac signs are Taurus (until May 19) and Gemini (May 20 onwards)

### MAY FOLKLORE AND FUN

*A dry May and a leaking June*

dressed!*

**Taste & See****Moist Passover Apple Cake****Ingredients**

- 2 tablespoons vegetable shortening, room temperature
- 3 eggs, separated
- ½ cup vegetable oil
- ¼ cup orange juice
- 1 cup white sugar
- 1 cup matzo cake meal
- ½ teaspoon salt
- ¾ cup white sugar
- ½ teaspoon ground cinnamon
- 4 Granny Smith apples - peeled, cored, and quartered

**Instructions****Step 1**

Preheat oven to 350 degrees F (175 degrees C). Grease an 8-inch square baking dish with vegetable shortening.

**Step 2**

Beat egg whites in a metal, glass, or ceramic bowl with an electric mixer until stiff peaks form. Lift your beater or whisk straight up: the egg whites should form a sharp peak that holds its shape. Set aside.

**Step 3**

Place the egg yolks, oil, and orange juice into a mixing bowl; beat with an electric mixer until creamy and thick, about 5 minutes. Stir in 1 cup of sugar, mixing well, then lightly stir in the matzo cake meal and salt. Use a rubber spatula or wire whisk to fold about 1/3 of the beaten egg whites into the matzo meal mixture. Gently run the spatula through the center of the mixture, then around the sides of the bowl, repeating until fully incorporated. Add the remaining egg whites, folding until just incorporated.

**Step 4**

Mix together ¾ cup of sugar with cinnamon in a bowl. Spread half the batter into the prepared baking pan; distribute the apple quarters evenly over the batter. Sprinkle the apple pieces with about 1/2 cup of the sugar-cinnamon mixture, spread the remaining batter over the apples; sprinkle the remaining sugar-cinnamon mixture over the top of the cake.

**Step 5**

Bake in the preheated oven until the cake is golden brown, about 45 minutes. Cut into squares while still warm.
