## **Reflection for October 25<sup>th</sup>**

Over the last several days I've been reading the texts set for this Sunday, wondering what I would focus on. I was struck by God's decision that Moses would not lead the Israelites into the promised land. He had led them out of Egypt (no small feat that!) he led them through the wilderness – and all the experiences that formed them into being a people committed to the one God, YHWH - and now, on the verge of entering the promised land, he is told he can't lead the people into this promised land. Someone else would to do that. How unfair is that!

And suddenly our situation (the parish, the deanery) struck me. We're getting new leaders! No, Wait! We're doing just fine. Really! If it ain't broke, don't 'fix it!' And I really felt for Moses. (and for Joshua). Joshua will probably hear pretty quickly that old refrain, "We've never done it that way before." or "That's not how we do things." Despite the fact that I'm sure nobody in the Long Point Bay community would say that, I'm equally sure someone will think it.

That's not a bad thing. We are creatures of habit. Having grown up on a farm, I know how the livestock move from one pasture to another. And even if you didn't know, all you'd have to do is look at the pasture and you'd see 'the path' - not lots of paths but generally one path. Introduce a new animal and it would pretty quickly adjust to the one path.

No, I am not suggesting we're all a bunch of cattle. But we are a community of people – a community that has a history of working and playing, and praying together. And the way we establish that pattern is finding out, over time, what works and what doesn't. I'm sure Moses, after years and years of leading the Israelites in some difficult and challenging situations, had figured out what worked (for the most part). But you don't have to look far to find times when things went off the rails - even for Moses.

One of the things that the Israelites discovered over time, was that, no matter what the circumstances were, no matter who was leading them, God was always with them. And, ultimately, God would lead them where they needed to go.

As we face these challenging times, with new leaders, my final piece 'wisdom' is to always face these new and challenging times with prayer – but don't forget that all real prayer is at least 60% quiet listening.

God bless your continuing journey together!

Heavenly Father, through the Grace of your Holy Spirit and your Son, our Lord Jesus Christ, you continue to guide us through these difficult times of the global pandemic. You are our light, hope and source of comfort during what often seems like a very dark journey this year. Help us to keep faith that all is working according to your plan.

We give you praise for your unconditional love, and the reminder that we are to love each other as we love ourselves. This is even more vital these days as tempers fray and patience wears thin under the pressures of unemployment, poor health and disturbing instances of social injustices. Almighty God, we ask that you grant us the empathy and compassion to disagree without being disagreeable, and to listen with open hearts and minds.

Congratulations are extended to our Archdeacon Tim Dobbin, who has been appointed Dean of Niagara effective January 1st. This will be a big transition for him and his family, so we pray for it to be a smooth one, and ask, Father, that your hand continues to guide and protect them.

We thank you Father, for the blessing of our new minister, Enrique Martinez. We happily welcome him, his wife and their two children as they join our community this week. Thank you, Lord, for guiding the Selection Committee to make this choice. We pray for his success and happiness in his new role, and that all of us in the parish will continue to grow together with him in our knowledge and love of Christ.

Lastly, we give thanks and say a special "Thank you!" to our truly Venerable Rick, our Interim Rector, who exemplified the call of the spirit to action and kept us all uplifted over this past unprecedented year. May you continue to bless him and keep him in your favour.

We ask all this in the name of your son, our Lord Jesus Christ,

Amen.

We pray for those who are sick in need or any kind of trouble especially:

Rick our interim Rector, Todd our Bishop, Anne our Metropolitan, Linda our Primate, Mark National Indigenous Archbishop, and Marinez Bishop of Amazonia. We pray also for the people of the Parish of Long Point Bay and all lay and clergy.

## ANNOUNCEMENTS:

### **Indoor Services to resume in a limited fashion.**

We are currently in the AMBER stage of this programme. Details can be found at the Diocesan website. This means that we can host indoor services and events like weddings and funerals. We have very strict protocols for indoor services that include, screening, masks and strict seating and social distancing rules. This has resulted in drastically reducing the numbers of people that can safely meet inside the church. Unfortunately, we are not permitted to sing in the church but we can have communion in a creative way without needing to move from our seats.

Note that not every church will be holding a service every week as in the past. It will be as it was before, with Holy Communion every second week but the Morning Prayer services in between have been cancelled. This allows us to safely monitor the health of our congregations over two-week periods. Not all parishes or congregations are required to offer indoor services but it has become an option that we are exploring carefully. Your safety is our paramount concern, we know this pandemic is not over.

### Services:

There will be an indoor Eucharist service:

Today Sunday October 25<sup>th</sup> St John's Port Rowan at 9:30

Then there will be the following Eucharist services:

November 1<sup>st</sup> Pt Ryerse at 9:30 and Woodhouse 11am
